

# Marie Skłodowska-Curie Actions: Opportunities for Individuals

Dr. Jennifer Brennan

Marie Curie National Contact Point

- **Who are we?**
  - Representative body for the seven Irish Universities
- **What do we do?**
  - Support the universities in developing sectoral policies and strategies
- **What services do we offer to researchers?**
  - EURAXESS Ireland
  - Irish Marie Curie Office
  - Available to Universities, IOTs, Research Centres and Companies

# Irish Marie Curie Office

Sponsored by the **Irish Research Council**  
([www.research.ie](http://www.research.ie))

- **Promote** the Actions to Irish researchers and research organisations
- **Support** researchers in preparing funding applications
- **Contribute** to policy initiatives relevant to the Actions

# Horizon 2020

## - the Framework Programme for Research and Innovation (2014-2020)

Marie Curie  
Actions

# Job & Fellowship Opportunities in the Marie Curie Actions

## Opportunity 1: Apply for a job in a Marie Curie Action

- Initial Training Network (**ITN**)
- Industry-Academia Partnerships & Pathways (**IAPP**)
- Need PhD or four years of research experience after primary degree (*Experienced Researcher*): for ITN, no more than five years of experience (includes years spent completing PhD, if relevant)
- All advertised on **EURAXESS Jobs**
- Search filter for “**Marie Curie Vacancies**”

# Mobility Rule

- To be eligible you must not have resided in the country of host organisation for **> 12 months in the last 3 years** on the day you begin your employment contract.
  - Example 1: If applying for a Marie Curie job in France, you must not have resided in France for > 12 months in the 3 years before starting the job.
  - Example 2: If you have lived in Ireland for < 12 months in the last 3 years, you can apply for a Marie Curie job at an Irish organisation.
- No nationality/age restrictions

CONFERENCE: "Raising Researchers' Voices - opinions on jobs, careers and rights", 21-22 November 2013, Brussels (BE)

We received so many

MAKE YOUR VOICE HEARD: visit the Voice of the Researchers web-site!

Find out how we helped Anne to advance in her career

## Opportunity 2: Apply to Brussels for a Marie Curie Fellowship

- Marie Curie **Individual Fellowships (IF)**
- Annual Calls for Fellowships (next deadline t.b.c. in 2014)
- Need PhD or four years of research experience after primary degree (*Experienced Researcher*)
- Researcher applies with support of host organisation
- Operated by European Commission (Research Executive Agency)

# Individual Fellowships

- Fully-funded fellowships
  - Salary, research costs etc.
- Minimum duration 1 year
- 2 fellowship types:
  - **European Fellowships:** funds up to 2 years at research-active organisation in Europe
  - **Global Fellowships:** funds up to 2 years at a research-active organisation outside Europe, followed by 1 year back at an organisation in Europe

## Mobility Rule

- To be eligible for a Marie Curie Fellowship you must not have resided in country of host organisation for **> 12 months in the last 3 years** on the closing date of the funding Call.
- If you move to another country after your PhD, you can still apply for a fellowship in that country as long as you have not lived there for > 12 months in the 3 years before the Call deadline.
- No nationality/age restrictions

## Opportunity 3: Apply for a fellowship in a Marie Curie COFUND Fellowship Programme

- National or International Fellowship Schemes
- Co-funded by Marie Curie Actions, but operated by national/international funding agency in European Countries
- Need PhD or four years of research experience after primary degree (*Experienced Researcher*)
- Each scheme is different, with different eligibility/mobility rules. In the main, Researcher applies with support of host organisation
